

# Mrs. Carlson's CLASS NEWS

## A NOTE FROM THE TEACHER

We have been learning about magnets and motion.

### What Scientists do...

Question : What would happen if?

Hypothesize: I predict...

Observe: I see, I hear, I feel...

Conclude: I discovered...

## HOME PRACTICE REMINDER

### Magnet & Motion Scavenger Hunt:

Explore with your child around your home and community for different types of magnets and motion.
